3. Supervisory activities of the Board of Directors over the Executive Board:

The Board of Directors (BOD) conducted monitoring and supervision over the Company's Executive Management in accordance with the provisions of the Enterprise Law, the Company Charter, and the Regulations on the Operations of the BOD, specifically:

The Chairman of the BOD regularly supervises the Executive Management and the Company's units regarding the implementation and results of resolutions of the General Meeting of Shareholders (GMS) and resolutions/decisions of the BOD, providing ongoing and timely direction to ensure that corporate governance and operational management achieve the highest effectiveness.

On a monthly basis, the Chairman of the BOD participates in meetings with the Executive Management and functional departments to gain a clear understanding of business activities, emerging issues, and to provide timely instructions on related matters.

Under the management and supervision of the BOD, the Executive Management has implemented a series of business measures and solutions adapted to the post-pandemic environment and the current global economic and political uncertainties, attracting tourists to the Company, expanding commercial operations to increase revenue, and gradually restoring business stability.

The BOD has promptly proposed business orientations, plans for infrastructure upgrades, and expansion of operational scale in the upcoming period. The Company continues to instruct its subordinate units to enforce cost-saving measures, establish cost regulations, and allocate specific budget limits to each unit, ensuring support for business development while remaining consistent with practical conditions.

Quarterly, the Executive Management prepares financial reports and submits them to the BOD. During BOD meetings, the Executive Management reports on the quarterly business performance and outlines operational plans for the upcoming period, allowing the BOD to evaluate and provide directives for implementation.
